### **Opportunity to shape the North Sierra Highway Planning Project**

The County of Inyo, City of Bishop, and the Bishop Paiute Tribe are continuing work on a Corridor Plan and Specific Plan for North Sierra Highway, roughly from the Tri-County Fair to Brockman Lane. This work is intended to develop a vision for the Corridor to guide development and transportation over the coming decades.

The North Sierra Highway Advisory Committee is hosting a public Charrette/Workshop to explore preliminary conceptual alternatives for elements of the plans. This is a unique opportunity for the public to help guide future development for the North Sierra Highway portion of the Bishop community.
