 Scheduled Time for Closed Session Informational

FROM: Inyo County Board of Supervisors

FOR THE BOARD MEETING OF: July 12, 2016

SUBJECT: Draft Multi-Jurisdictional Hazard Mitigation Plan (MJHMP) for Public Review

DEPARTMENTAL RECOMMENDATION: Receive Draft Multi-Jurisdictional Hazard Mitigation Plan overview presentation from staff, consultant Michael Baker International and provide input.

SUMMARY DISCUSSION:

Inyo County is currently one of the few Counties in the State of California without an approved Hazard Mitigation Plan. The Public Works Department applied and was approved for grant funding with California Governor's Office of Emergency Services (Cal OES) and Federal Emergency Management Agency (FEMA). Grant funding allowed for the contracting of services from Michael Baker International (MBI) to assist in development of a Multi-Jurisdictional Hazard Mitigation Plan.

This plan was created over the last six months by identifying stakeholders, risk assessment and developing mitigation measures. The project team participated in five monthly meetings and consisted of identified stakeholders. Stakeholders included representation from County Departments, City of Bishop, Local State and Federal Agencies and Cal-OES. The draft plan has been released for 30-day public review and is presented today as part of that review.

OTHER AGENCY INVOLVEMENT:

City of Bishop and other stakeholders affected by plan

FINANCING:

Cost of this plan is funded by FEMA Pre-Disaster Mitigation Grant administered by Cal OES.
