

### NOTICE OF AVAILABILITY

Notice is hereby given that an Initial Study of Environmental Impacts and Draft Mitigated Negative Declaration have been prepared pursuant to the California Environmental Quality Act and are available for public review for: **Conditional Use Permit (CUP) 2016-02/7-11 Materials**

The applicant 7-11 Materials has applied for a CUP to locate a portable Portland Cement Concrete (PCC) Plant Operation. The Plant will primarily furnish materials to the LADWP Owens Lake Dust Mitigation Project, along with providing materials to other potential projects that might require similar materials. The Plant will process imported raw construction grade aggregate and concrete materials into a finished product and deliver it directly to end-use customers via transit mix trucks.

**The 30-day review period for this Draft Mitigated Negative Declaration of Environmental Impact begins on December 13, 2016 and expires on January 11, 2017.** During this period comments may be submitted regarding the Initial Study and Draft Mitigated Negative Declaration. Inyo County is not required to respond to any comments received after this date. Written comments and all questions should be addressed to the Inyo County Planning Department, P. O. Drawer "L," Independence, CA 93526, faxed to (760) 872-2712, or emailed to [inyoplanning@inyocounty.us](mailto:inyoplanning@inyocounty.us). Copies of the Initial Study and Draft Mitigated Negative Declaration of Environmental Impact for this project are available for review at the Inyo County Planning Department (168 N. Edwards Street, Independence), County libraries, and the Inyo County Planning Department's website (<http://inyoplanning.org/>).
