PUBLIC HEARING NOTICE

NOTICE IS HEREBY GIVEN the Inyo County Planning Commission will hold public hearings Wednesday, August 24, 2016 at 10:00 a.m. in the Board of Supervisors Room, County Administrative Center, Independence to consider the following:

Verizon Wireless Telecommunications Plan Update No. 2016-02 / Verizon Wireless

Epic Wireless Group Inc. representing Verizon Wireless has submitted an application to update Verizon's existing Telecom Plan to add a co-location site on an already approved tower. Verizon's current plan (adopted in August of 2003) includes a total of ten existing wireless communication facilities. Five of these are approved in the 2003 plan and there are five additional sites also in the Verizon network that were approved under the Western Wireless Plan. There are also there are five proposed future facilities included the Verizon Plan. The current Verizon network consists of the ten sites within Inyo County with one of them located inside the Bishop City limits and not under the County's jurisdiction. This application is to update the current Verizon Wireless Telecommunications Plan to include a co-location site at Coso Junction on Gill Station Road on an already approved and built monopole. This project is Exempt from the California Environmental Quality Act under the General Rule Section 15061(b)(3).

Written comments and all questions should be addressed to the Inyo County Planning Department, P. O. Drawer "L", Independence, CA 93526. Copies of the Planning Commission Staff Report are available for review at the Inyo County Planning Department, 168 N. Edwards Street, Independence, during regular business hours or at www.inyoplanning.org under "Current Projects."
