Project Title: South Lake Road Rehabilitation Project (Recirculated as Mitigated Neg. Dec. - initially SCH #2017021029)

Project Location – Specific: The proposed project site is located about 15 miles southwest of downtown Bishop in the northwestern part of Inyo County. The project will rehabilitate the entire length of South Lake Road from the start at the intersection with State Highway 168 to the end of the County Maintained Roadway at the Boat Ramp at South Lake.

Project Description (brief): The Inyo County Public Works Department has prepared an Initial Study and Draft Mitigated Negative Declaration for the South Lake Road project. The project involves rehabilitate the existing roadway; to pulverize and reclaim the existing pavement and portion of the existing subgrade for use as a new base course and overlay with a new asphalt concrete pavement section on 6.9 miles of South Lake Road, as well as minor widening along the first 2.1 miles to accommodate a widened, shared-use shoulder.
