## **PUBLIC HEARING NOTICE**

NOTICE IS HEREBY GIVEN the Inyo County Planning Commission will hold a public hearing Wednesday, February 24<sup>th</sup>, 2016 at 10:00 a.m. in the Board of Supervisors Room, County Administrative Center, at 224 North Edwards Street, Independence, to consider the following:

**One Year Time Extension for Conditional Use Permit CUP#2014-01/711 Materials, Inc.**

The applicant has submitted a request for an amendment to CUP #2014-01/711 Material, Inc. to allow for a one (1) year time extension. CUP #2014-01 allowed for the applicant to *temporarily* locate a portable concrete plant for 1-2 years. The current term of CUP #2014-01 will expire on February 26, 2016 if extension is not granted. Continued need to provide materials to the LADWP Owens Lake Dust Mitigation Project and other regional constructions projects has made it apparent to the applicant that contractual commitments will extend beyond the original two-year estimated time-frame.

If you challenge any finding, determination or decision made regarding these projects in court, you may be limited to raising only the issues you or someone else raised at the public hearing described in this notice, or in written correspondence delivered prior to the hearing.

Written comments and all questions should be addressed to the Inyo County Planning Department, P. O. Drawer "L", Independence, CA 93526. For additional information contact Inyo County Planning Department, 168 N. Edwards Street, Independence, during regular business hours or at [www.inyoplanning.org](http://www.inyoplanning.org) under "Current Projects."
